Inside Story of Preston Strongroom Fire

Youth Charged with Arson and Embezzlement

Disappearance of Mrs.

Following a fire which occurred in the strongroom of the Preston Electric Light Department in the early hours of September 28, a thorough investigation was made of the affairs of the department. A number of records were destroyed, but a careful investigation showed that there were deficiencies in some of the accounts.

A young man was accosted in the street on the night of the fire, and he was later found to be in the possession of some of the missing records. He was charged with embezzlement and fire, and is now awaiting trial in the courts.

A Strange Load

The body of a woman was found under some unusual circumstances. The police are investigating the matter and hope to solve the mystery soon.

NEW YEAR'S EVE DANCE AT WOLLERT

"IN THE BRAVE DAYS OF OLD."

There was a dance at Wollert on New Year's Eve. After the dance was over, a young woman who was employed as a book-keeper at the Wollert post office, alleged that she was assaulted by her employer. The employer, however, had to face a surprising cross-examination.

The police case ended with戏剧al conclusions when the man who had been charged with assault was found to have a connection with the murder of a woman. The circumstances were very suspicious, and it is said that the man was a friend of the woman who was murdered.

The Governor and Lady were present at the dance, and were received with great enthusiasm. They were entertained with music and dancing, and were charmed with the occasion. Pictures by courtesy of the "Argus," Melbourne.
