

Index to known burials
in
Northcote Cemetery.

Notes. O/P in receipt column indicates that information as to location, was taken from an old plan only, and there are no receipts existent to confirm location

H.S. in location column indicates presence of a headstone on the grave

Distances given are all from nearest boundary of object of reference, to centre of grave to be located.

Path 2, frequently used as reference for location is now not very clearly defined. Its true position is North side, 115 ft, South side, 117 ft 6 ins, from North boundary fence, and adjoins the south boundary of grave Anne & Kofre, Row 6 W, marked by headstone.
